

Gabriola LINKS

This is not intended to be a comprehensive Gabriola Website Directory, particularly for businesses and events on specific dates. A better directory is on [Bob Derksen's site](#).

Sites that are about Gabriola, but not based on Gabriola are usually not included—Google and Yahoo do a better job of listing those.

Gabriola Museum: <http://www.gabriolamuseum.org/resource.html> always a good start

Don't rely on [Gabriola Island Community Profile](#) (Vancouver Island University) for history information. It has many errors as presently drafted.
