

GaLTT Summer Event

Thursday July 11, 2019 2:00—3:30 pm

Blue Heron Community Park, Gabriola Island

Meet on the lawn close to the Whalebone Beach access, rain or shine

Wear sturdy shoes. Be careful, no running or horseplay, kids!

Bring a strong bucket or shopping bag or what-have-you to collect your samples

We will go rock-collecting on the beach for a while, then bring our treasures up to the lawn where we'll sort them out, and then we'll talk about them and see what we know. Nick Doe will be there to inform us or just make stuff up

Afterwards, please return the rocks to the beach or take them home; but whatever you do, do not leave any on the lawn.

More Information? e-mail: info@galitt.ca
